TUSPM Summer and Winter Internship Programs

Winter Internship Program

January 2-5, 2024

Application Deadline: November 22, 2023

Summer Internship Program

&

June 7-14, 2024

Application Deadline : April 19, 2024

(IN PERSON)

TUSPM offers a free, four-day Winter Internship Program (WIP) in January or an eight-day Summer Internship Program (SIP) in June for any eligible student that has obtained 45 credits or more, which includes both post baccalaureate and graduate students [brochure](#))

Interns attend workshops and seminars on podiatric medicine, as well as shadow and works with podiatric physicians in hospitals, private practice, and outpatient clinic settings. A TUSPM student doctor will also work with interns on a case presentation.

DID YOU KNOW THAT PODIATRIC PHYSICIANS/BOARD CERTIFIED FOOT & ANKLE SURGEONS ARE A PART OF THE HEALTHCARE TEAM?

A podiatrist is a Doctor of Podiatric Medicine (DPM), known also as a podiatric physician or surgeon. DPMs are specialists in the prevention, diagnosis, and treatment of lower extremity disorders, diseases and injuries. DPMs make independent judgments and performs or orders all necessary diagnostic tests.

Experience Podiatric Medicine Day

TUSPM would like to invite you to our campus for Experience Podiatric Medicine Day on a Saturday in October 2023

Come meet with faculty, students, and admissions representatives. During this program you will get to see a case-study presentation, participate in a gait analysis workshop and participate in hands-on workshops, such as suturing and casting.

10:00am -2:00pm

LUNCH AND PARKING PROVIDED

Not on Call 24/7
Give patients instantaneous pain relief
Customize Practice

Application Deadline is June 30th for students starting Aug 2, 2023

Seats are still available

We are conducting both virtual and in-person interviews through mid-July. Applications are being accepted at <https://aacpmas.liaisoncas.com/applicant-ux/#/login>.

Virtual Webinar Series "Step into Our World"

TUSPM will host a Virtual Admission Session for students and advisors interested in learning more about the educational process and career opportunities within the field of Podiatric Medicine. This session will be conducted virtually via Zoom. For those students anticipating entry into the health professions it would be an excellent opportunity to meet Admissions representatives and students from Temple University School of Podiatric Medicine to answer any questions about the application process, curriculum and why they chose to become a Podiatric Surgeon.

TUSPM STUDENT SPOTLIGHT

TUSPM Student of the Year

Fatima Dakrish

Where I am from:

Houston, Texas

Where I went to school:

BS in Human Nutrition & Foods from the University of Houston

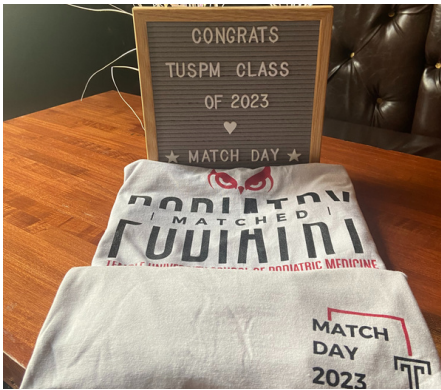

Masters of Biomedical Sciences from the University of the Incarnate Word, School of Osteopathic Medicine

What does being named "TUSPM Student of the Year" mean to me:

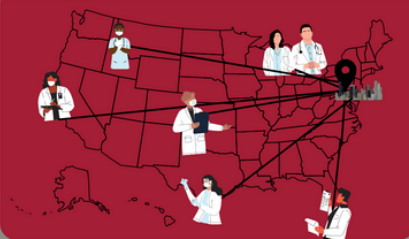

I am deeply humbled to have been named Student of the Year within the TUSPM community. I value every opportunity to engage in educational activities and workshops, as I believe they are essential for personal and professional growth. Throughout my podiatry experience, I have formed strong bonds with my peers, who have become like family to me. We have shared many great times together, as well as faced challenges, such as studying for boards. Throughout it all, we have supported and encouraged each other, and I am proud to be a part of such a tight-knit and supportive community.

Temple University School of Podiatric Medicine Foot & Ankle Clinic get Renovated

Temple's School of Podiatric Medicine (TUSPM) in Philadelphia is one of eleven schools of its kind in the nation. With leading faculty experts and a focus on practical, real-world training, the school positions students to succeed before they graduate.

- TUSPM is part of a major university, with a comprehensive allopathic Health Sciences Center and major healthcare system, which owns and operates five hospitals. With faculty supervision, third-year students begin treating some of the 32,500 annual patient visits at our Foot and Ankle Institute. Students have access to Temple University's facilities, services and activities, including libraries, computer labs, and athletic and cultural events. On-campus surgical and clinical skills labs, encourage hands-on training in surgical techniques and clinical competencies. First year students gain clinical experience.

Why Choose Temple

Temple Health partners with Redeemer Health and Philadelphia College of Osteopathic Medicine to purchase Chestnut Hill Hospital from Tower Health

TUSPM is a part of a major university, with a comprehensive allopathic Health Sciences Center and major healthcare system, which owns and operates four hospitals, plus the Fox Chase Cancer Center and the Foot and Ankle Institute

- TUH is growing! Temple Health will manage the facility, which is named Temple Health-Chestnut Hill Hospital. Chestnut Hill Hospital is a 148-bed, community-based, university-affiliated, teaching hospital committed to excellent patient-centered care. Chestnut Hill Hospital provides a full range of inpatient and outpatient, diagnostic and treatment services for people in northwest Philadelphia and eastern Montgomery County.

TUH is a 979 bed, Level 1 trauma center that supports 18 residency programs, 11 Fellowship programs, and over 500 general medical and surgery residents.
