CME: 7 Hours of Continuing Education
Contact Hours are approved

INTENDED AUDIENCE: Podiatric Physicians, Residents & Students

“Temple University School of Podiatric Medicine is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. Temple University School of Podiatric Medicine has approved this activity for a maximum of 7 continuing education contact hours.”

“No commercial interest provided financial support for this continuing education activity.”

GOALS & OBJECTIVES

1. Identify systemic and peripheral risk factors associated with the development of acute and chronic wounds
2. Factors associated with changing chronic non-healing wounds to acute actively healing wounds
3. Increase the knowledge regarding multiple treatment options and cost effectiveness of same
4. Treatment intervention to decrease the probability of developing ulcers and to expedite the healing process should such ulcerative lesions develop
